"We were pleased to host the #RaktadaanAbhiyaan blood donation camp at MBR Degree college, in collaboration with Vedanta Sesa Goa-IOK. Serving humanity is central to our philosophy, and this initiative by Vedanta IOK reflects that same spirit of compassion and responsibility to 'give back' meaningfully. Blood donation is a noble form of 'daan' that can save lives. I appreciate Vedanta IOK for their contribution to society and their commitment to encouraging selfless service for the welfare of one and all."
